Monthly PI Report

quicklinks

When to Use

This report should be used to review the financial transactions to the account and to determine the current balance.

This report is one of the Reconciliation Reports that must be run and reviewed by the Business Officer each month, as stated in the Accountability Report. For more information about Financial Accountability, please click [here](#).

Report Functionality

- provides a summary of all financial activity in a Principal Investigator's research grant account along with supporting details
- The supporting details can be obtained by indicating which sections to include on the selection screen. If no items are selected, a one-page summary report is produced.
- The output of this report can be based on either budget or expenditure categories. A selection option allows the user to determine which version they would like, or allow the system to choose.
- data in this report is updated each night, as so is current as at the end of business the previous day.
- Download into excel button available

Header

The header of the report shows the details of which accounts the report is for. The header section includes the funds center name and number, the Parent FC name and number, the fund name and number, the title, the sponsor name and number, the sponsor year start and end, grant start and end, fund start and end and any message.

The report can be downloaded into Excel, based on the report version chosen on the selection screen. If the report is by budget categories, you can download the report by clicking on "Download Bud. Cat." If the report is by expense categories, you can download the report by clicking on "Download Exp. Cat." The report will list all commitment items that have budget set up in them.

Output : Detailed Reports

From the selection screen, there are six options to include in your selection. Budget Details, Expense Details, Outstanding Commitments are all detailed reports. These reports present the information differently depending on which version of the report you select. This report will be discussed in detail below. The payroll distribution is exactly the same under both versions. For more information about the payroll distribution, please click [here](#).

Output Screen: Report by Budget Categories - Budget Details

The screenshot shows the SAP interface for a 'Monthly PI Report - All Sponsors'. The report is titled 'Monthly PI Report by Budget Category' and is for the University of Toronto. It displays a summary of budget details for a specific fund center (100409) and period (Jun-2007). The summary includes fields for Funds Center, Parent Funds Center, Fund, Title, Sponsor, Sponsor Year Start, Grant Start Date, Fund Start Date, Sponsor Year End, Grant End Date, and Fund End Date. Below the summary is a table with columns: Carryforward Budget, Budget for Current Year, Current Month Expenses, Outstanding Commitments, YTD Expenses, YTD Expenses & Commts., and Funds Avail. The table shows values for 'Open' and 'Total' rows. At the bottom, there is a section titled 'Budget details for all sponsor fiscal years: Total project expenditure budgets (excluding overhead)' with a table showing values for various fiscal years (May 2000 to May 2006) and a total for Oct 2006.
