

April 9, 2026

I am pleased to announce the appointment of Arun Mulackal to the position of Associate Director, Financial Services (Capital Accounting) effective April 6, 2026.

Reporting to the Controller and Executive Director, Financial Services, the Associate Director will manage a team of professionals that oversee capital accounting and reporting for the University, and provide financial management expertise and advice to the University community as it relates to capital projects and real estate transactions.

Arun has over 13 years of accounting and finance experience in the not-for-profit sector. Most recently, he was Director, Finance at Michael Garron Hospital, where he led the organization's finance operations, treasury strategy and capital oversight. Prior to joining Michael Garron Hospital in 2020, Arun was the Manager, Finance & Administration in the Facilities Management group at George Brown College. Arun is a Chartered Professional Accountant (CPA, CA) and holds an Honours Bachelor of Accounting from Brock University. Arun articulated with Grant Thornton LLP.

I am delighted that Arun has agreed to join the University in this role. Please join me in welcoming Arun Mulackal to his new role in the Financial Services Department.

Regards,

Sanish
