

January 3, 2024

I am pleased to announce the appointment of Hemantha Dayananda to the position of Manager, Treasury & Investment Services effective January 3, 2024.

Reporting to the Director, Treasury and Investment Services, the Manager, Treasury & Investment Services is responsible to provide subject-matter expertise and operational management of financial, debt, and investment management services in a fast-paced University environment with significant operational and capital cash flow requirements. The Manager will administer the University's cash and debt programs to meet the financing requirements of the University's capital expansion plans whilst ensuring that the University maintains its fiscal responsibility and long-term financial sustainability.

Hemantha previously held the role of Assistant Manager, Treasury & Investment Services at the University of Toronto for the last 5 years. Prior to that, he held roles as Manager, Fund Accounting at Citco (Canada) Inc. and Account Manager at UBS Global Assets Management (Canada) Co. Prior to joining the fund accounting industry, Hemantha was an Assistant Audit Manger at KPMG. He is a Chartered Financial Analyst (CFA) and a Chartered Accountant (ACA) and holds a Bachelor of Science Business Administration in Financial Management from the University of Colombo.

I am delighted that Hemantha has agreed to take on the new role and responsibilities. Please join me in congratulating Hemantha in his new role in the Financial Services Department.

Regards

Anthony
